Re: Douglassville Disposal Site
Notice of Intent to Issue UAO

Dear Mr. Becker:

This is to notify you that EPA intends to issue a Unilateral Administrative Order (UAO) to certain potentially responsible parties (PRPs) relative to the Douglassville Disposal Site. The UAO would order the PRPs to conduct the Phase II remedial action pursuant to a Record of Decision dated June 30, 1989 and, Phase II remedial design specifications developed for EPA by the U.S. Army Corps of Engineers. The remedial action involves the onsite incineration of contaminated filter cake wastes and sediments and the capping of Source Areas 1, 2 and 9.

Copies of the UAO will be distributed to PADER when it is issued.

Please contact me at 215-597-8996 if you wish to discuss this matter.

Sincerely,
Victor J. Janosik
